The challenge competition is one of the most important and essential events in the Purdue High School. All of the students in each class have to participate, and everything from the cause to the costumes should be prepared by us.

Each class has to develop their own dance performances that last for at least five minutes but no more than ten minutes. The school will invite professional judges to judge which class is the most creative and original and will be the champions. The winners are determined by a vote, and every class is eager to win the first place.
